

REMARKS

Applicant respectfully requests reconsideration of the present application in view of the foregoing amendments and in view of the reasons that follow.

Status of Claims:

Claims 1 and 6-14 are currently being cancelled.

Claims 2-5 are currently being amended.

No claims are currently being added.

This amendment cancels and amends claims in this application. A detailed listing of all claims that are, or were, in the application, irrespective of whether the claims remain under examination in the application, is presented, with an appropriate defined status identifier.

After amending and canceling the claims as set forth above, claims 2-5 are now pending in this application.

Request for Entry of After-final Amendment and Reply:

Applicant respectfully requests that this after-final amendment and reply be considered and entered, since it places this application in condition for allowance based on the indications made in the final Office Action.

Indication of Allowable Subject Matter:

Applicant appreciates the indication of allowable subject matter made in the final Office Action with respect to claim 5. By way of this amendment and reply, claim 5 has been amended to include the features of its base claim and any intervening claims, and claims 2-4 have been amended to depend from claim 5. Thus, claims 2-5 are now in allowable form in accordance with the indications made in the final Office Action.

Claim Rejections – Prior Art:

In the Office Action, claims 1-4 and 6-14 were rejected under 35 U.S.C. § 102(e) as being anticipated by U.S. Patent No. 6,047,092 to Moro. Due to the cancellation of claims 1 and 6-14 and due to the amendments made to claims 2-4 so that they now depend from claim 5, these rejections are now moot.

Conclusion:

Since all of the issues raised in the final Office Action have been addressed in this Amendment and Reply, Applicant believes that the present application is now in condition for allowance, and an early indication of allowance is respectfully requested.

The Examiner is invited to contact the undersigned by telephone if it is felt that a telephone interview would advance the prosecution of the present application.
